A Message from the Director

Thank you for taking the time and interest in reviewing this Annual Report for the Colton Community Services Department. As staff, we strive for integrity and responsiveness in connecting our community to the finest facilities, programs, and events possible. Our well-trained, positive and caring staff members view "Community Services" as more than a name, it is our mission.

As you review this report, please do not hesitate to contact us with questions regarding the information or share direct feedback about your interaction with the department. Our success is measured by the response of our community and we want to hear how we are doing.

In the meantime, enjoy this brief glimpse into our impact within Colton in 2014-2015 and thank you for the continuing responsibility and honor of serving the Colton Community.

GUIDING PRINCIPLES

OUR BRAND

OUR VISION

*The Colton Community Services Department **CONNECTS** our community through people, facilities & programs.*

OUR MISSION

- ♦ We are driven by the desire to **CONNECT** our community, by respecting its diversity, and understanding the social, cultural, educational and recreational needs of our residents.
- ♦ We strive to improve the quality of life for Colton's residents by **CONNECTING** them with programs, services, and information for individual & family health and enrichment.
- ♦ Our staff is **CONNECTED** to the community through personal excellence, professionalism, and public service.
- ♦ The success of our Mission is **CONNECTED** to the response of the community to our programs, events, staff and facilities.

OUR VALUES

Our core values are:

Integrity • Initiative • Responsiveness • Positivity • Caring • Humor

EARLY CHILDHOOD EDUCATION

PRESCHOOL PROGRAMS

Early Childhood Education provides free and affordable, part-day, early care and educational services to preschool-aged children (3 to 5 years old), at three locations throughout the City of Colton; Sierra Vista, Paul J. Rogers, and the Gonzales Community Center. The main goal for all our sites/classrooms is to allow the children to develop naturally, learn, play, and grow so they have the necessary skill set to

succeed in Kindergarten. This allows the parents to have peace of mind knowing their children will be given the tools to succeed in school.

Our curriculum is considered *Whole Child Development*. We take the four main aspects of the child; social, emotional, cognitive, and physical and give them equal importance. Thus when creating the lesson plan, designing the indoor and outdoor environment, or making the daily schedule, we factor in all the main aspects of the child. Our theory is also “play-based”, with the researched based fact that children learn best while at play. A few of the many things we do and some desired outcomes are; letter, number, shape, and name recognition, early math & counting skills, early reading skills,

writing practices, physical movement and development, healthy habits, preventative screening in vision and dental, building empathy, and social skills.

EARLY CHILDHOOD EDUCATION

SCHOOL AGE PROGRAM

Early Childhood Education provides care and services for school-aged children (K-6th grade), before and after school, plus during summer/winter/spring breaks at three local elementary schools: Cooley Ranch, Reche Canyon, and Paul J. Rogers.

We have a contract with the California Department of Education (CDE) to help make the program affordable for low income families, and possibly free depending on income level. We also have Private Pay rates for parents who are over income which are the lowest in the community.

This allows our parents to pursue occupational careers and/or educational goals, or to just “get a break” while knowing their children are safe and constructively occupied.

We include a wide range of creative, physical, and educational activities for the children. These include, but not limited to; art activities, board/table top games, take home crafts, homework help, free play & outdoor games. During this year, we were also able to partner with CSUSB and offer tutors free of charge to the parents to do beyond just helping a child with their homework. We also partnered with the Recreation Division and were included in their Food Program at our Reche Canyon and Cooley Ranch sites.

SCHOOL AGE PROGRAM served 112 children and families with
16,218 days of attendance.

FREE EMERGENCY FOOD DISTRIBUTION (COMMODITIES)

In cooperation with the Community Action Partnership of San Bernardino Food Bank, the Colton Community Services Department hosts food giveaways once a month to low-income families in the cities of Colton and Grand Terrace. The food is provided through the United States Department of Agriculture (USDA) food commodities. Additionally, we have a food pantry at the Luque Center sponsored by local businesses, schools, groups and clubs who have held food drives for Colton residents.

We provide resources and referrals to needed social services and programs for Colton families and residents. Examples of current programs and services include, Discount Prescription Cards for Colton residents, a free Thanksgiving Day Dinner, Family Christmas Baskets, free food/commodity distribution, and two “clothes closets” for those in need. Offering these programs to local residents allows them to be more self-sufficient by giving them free/discounted services that they would otherwise have to pay for and/or be without.

FRIENDS OF THE LIBRARY

The Friends of the Colton Public Library is a non-profit organization formed to support the library and assist with the delivery of cultural programs, informational programs, and community events to library visitors. The Friends support various projects which benefit the library. They meet the fourth Monday of each month, at noon, at the Main Library.

COLTON PUBLIC LIBRARY

ABOUT THE LIBRARY

The Colton Public Library (CPL) is a vital community asset that has a rich history and long standing tradition. We pride ourselves in providing the community with informational resources, recreational and educational enrichment, and courteous professionalism. The City of Colton has been providing its residents with free access to library resources and services for well over a century. The Colton Public Library first opened its doors in 1908 and it continues to provide the community with quality service today.

The Colton Public Library offers a wide array of services and programs. One of the library's flagship programs is its Advance to Literacy Program. The Advance to Literacy Program offers assistance for adults who seek help with basic reading, math, and computer literacy skills. Since 1988, the Advance to Literacy Program has assisted adults meet their individual needs and promote lifelong learning.

2014-2015 HIGHLIGHTS

The 2014-2015 year began with our annual Summer Reading Program and activities. This year's program was titled "Paws to Read." All registered participants were awarded with library giveaways, special programming and incentives for checking out and reading library books. This reading game continues to be a huge success. We had nearly 300 young readers participate in the program.

The library continues to expand its resources and increase activities for children, teens and adults by providing a variety of programs. CPL continued to offer culinary themed workshops designed to teach readers of various levels the importance of understanding nutrition labels and planning healthy meals on a budget. Library staff continued to deliver a weekly preschool storytime and craft program on Wednesdays that is well attended. Special monthly programs, such as the Mystery Book Club were sponsored and hosted by the Friends of the Library. For our teen patrons, the CPL hosted special evening programming in the form of Book 2 Movie nights and community support events.

New to the 2014-2015 year, the Colton Public Library partnered with the Colton Joint Unified School District and hosted it's "Rockin' and Readin'" Literacy Festival in September 2014. The special event in recognition of The California State Library's 30th year of funding library literacy programs and the launch of the CJUSD's Literacy Campaign, consisted of a live concert, over twenty booths providing literacy enriched activities and a drive in style movie screening.

During April 2015, the Colton Public Library celebrated National Library Week with several free, fun-filled activities and events. Library staff delivered special programming and craft events focusing on the joy of reading. Also during the festivities library staff handed out incentives and giveaways to all who visited the library during National Library Week. The week's celebration was capped off with our Spring Book-to-Movie Night and the Friends of the Colton Public Library's Annual Book Sale.

In the early spring, the Colton Public Library continued on its mission to better serve the community. In a joint project with the Recreation Division, the Colton Public Library began hosting mobile Wi-Fi access and workstations at various locations throughout the City of Colton provided free computer literacy trainings and workshops at local senior serving facilities and public parks. As with all library services, this program is free of charge and is available to all valid registered Colton Public Library cardholders.

RECREATION DIVISION

The Recreation Division of the City of Colton, Community Services Department is committed to providing quality year-round programs for all ages, as well as a variety of community special events. Our staff consists of six full time staff members and 60-90 part time seasonal staff. We are committed to personal excellence, professionalism, and public service.

We strive to improve the quality of life for Colton's residents by providing leisure time programming for individual & family health and enrichment.

FACILITIES

The Community Services Department has four facilities which are available for rental by the community. We also have a community pool and mobile recreation vehicle that can be reserved for private parties. These facilities provide multiple programs and activities for the community along with the opportunity for private reservations. In the past, our facilities have been rented for multiple events, such as Church Services, Birthday Parties, Graduations, Athletic Events, Anniversaries, and many more family and community milestones.

R.A.D.D. CLUB

(RECREATIONAL ACTIVITIES FOR THE DEVELOPMENTALLY DISABLED)

R.A.D.D. Club promotes respect, self-expression and independence through a variety of carefully selected leisure activities in a comfortable atmosphere. Currently R.A.D.D. Club has 10 faithful members, age 18 and above with developmental or cognitive disabilities, who enjoy meeting their friends and fellow club members monthly. Additionally, the program allows parents, care givers, and guardians the opportunity to enjoy a respite knowing they have dropped off their individuals in a safe, fun environment.

While the club is building a following slower than expected, word is getting out about this valuable service in a safe, fun environment and expectations continue to be high for future growth. There is a small fee for all programs, and participants must have completed an intake interview and registration form to participate.

COMMUNITY EVENTS

The Community Services Department works to create fun family events that encourage outdoor recreation and promote community spirit. These events provide safe, low to no-cost activities that enable families to share experiences and celebrate as a community.

Easter Egg Hunt/Earth Day

This free event features games, crafts, photo opportunities with the Easter Bunny, and an exciting egg hunt. The egg hunt is for children ages 3-14 years old but the event is for the whole family. The egg hunt features over 5,000 eggs and candy for the little ones to enjoy harvesting. Like last year the Community Services Department partnered with the Electric Department to expand the event to include Earth Day activities, information, and free hot dogs donated by Republic Services. We also joined forces with Healthy Colton for their Family Fitness Party where they had a booth providing health living tips and a chance to try out some fun exercises. This year we made another change and moved the Egg Hunt to a new location at Rich Dauer Park.

City of Colton, Birthday Celebration

This annual event is held each July, as a celebration of Colton's rich history. It has become a tradition for families to make memories and enjoy a fantastic fireworks display. Typically, it is enjoyed by over 5000 spectators onsite and even more in the surrounding area.

Summer Concert Series

Our extremely popular Concerts in the Park series runs four consecutive Sundays from mid-July through mid-August. The series features a variety of SoCal musicians with the intermission time dedicated to show off the talents learned by students in our contract classes. This annual series is free to the public and held each year at Fleming Park. Many attendees come from nearby cities and use the series to catch up with friends and family.

Movies in the Park

Residents are encouraged to join their neighbors for free, family-oriented movies under the stars at parks throughout Colton on our 20 foot inflatable screen. This year, we had P&G Burgers participate and they attended each movie and provided free fries and a mini hamburger to the community. Seven Movies are held at different parks throughout the city.

Senior Health Fair

Our Annual FREE 50+ Club Health & Safety Fair featured over 30 exhibitors offering information about services for seniors; including health, transportation, housing, recreation, and more.

Halloween Festival

For those looking for a FUN & SAFE place to take the little ones Trick or treating, our Halloween Festival was the place to be! There were free crafts, games, activities, entertainment, and of course, CANDY! This year, a Movie in the Park was added, and the event moved to Fleming Park.

Thanksgiving Day Dinner

This event has become a Colton tradition that is highly-anticipated by the community. This is an authentic family-style, sit-down dinner with all the fixings. It's open to any and all who come and many of those who do join us would not otherwise have a Thanksgiving Dinner. Plus we have added a "to-go" option for those unable to enjoy a sit-down dinner.

Holiday Tree Lighting

The merriment begins with the traditional lighting of the Christmas Tree on the front lawn of City Hall. Then, residents bundle up and join us for carols as we walk down La Cadena Drive to Fleming Park. Kids and Adults alike visit with Santa, enjoy some refreshments, and watch a movie on the big screen at Fleming Park.

Christmas in the Park

Following the annual City of Colton parade is Christmas in the Park. The community gets to enjoy some live entertainment and get to see the participants from our classes put on an amazing Class showcase that the whole family enjoys. The community could stop by the food

vendors for some great choices to enjoy, take a look at some classic cars, rat rods, mini trucks, low riders, and more at the car show.

COLTON PARKS & RECREATION FOUNDATION

MISSION STATEMENT

The purpose of the Foundation is to aid, sponsor, promote, advance, and develop park and recreation opportunities for all citizens of Colton.

Funds raised in 2014 = \$72,077.55

All Funding collected by the Foundation directly benefits the Colton community.

RECREATION SCHOLARSHIP PROGRAM

This is the original Parks & Recreation Foundation program. The Program funds scholarships to income-eligible Colton families for children to attend City-sponsored programs that they otherwise might not be able to afford. The Recreation Scholarship Program has awarded over \$54,000 in scholarships to hundreds of children since 2003.

GOLDEN YEARS PROGRAM

The Golden Years Program utilizes funding to promote programs, facilities, and services for Colton's senior citizen population. Health services, nutrition programs, group classes, and special events are examples of programs geared toward our "more experienced" residents.

HISTORIC COLTON PROGRAM

The Historic Colton Program makes funds available to support City programs which celebrate Colton's rich history, dating to 1887. Current programs include the annual City Birthday Celebration and the Colton Sports Hall of Fame.

PARK ENRICHMENT PROGRAM

The Park Enrichment Program enhances park opportunities for the residents of Colton. Colton continues to strive toward the goal of making park land available within 1/2-mile of every city resident. This program helps to make funding available for this purpose.

YOUTH EMPOWERMENT PROGRAM

The Youth Empowerment Program supports collaborative efforts to encourage youth to take on leadership roles in the community.

FRIENDS-IN-NEED PROGRAM

The Friends-in-Need Program makes funds available to residents who need assistance, through a City-sponsored food bank and clothes closet. The Program also helps fund holiday events to assist in bringing the community together.
